Pep-Band Involvement

Do You have a Pep Band: Yes No (If Yes Answer Following)

Do They Travel: Yes No Sometimes

Are They Any Good: Yes No

Other Information: The pep band shows great anti-Clarkson spirit by always saying "And Clarkson still sucks" every game no matter who the opponent is, and they even went to the 06-07 ECAC championship game despite the fact that RPI wasn't playing, just to spite Clarkson.

Other Information:

Our goalie Lange has a really hot girlfriend, so the Bonesaw Brigade can come say really witty things to degrade her and Lange.
Also, Lange has a great tendency to give up a lot of goals with the help of our defense that really sucks when the game is on the line.
